Your free step-by-step guide to online ordering from Stampin' Up! ®

01.	Add and remove items from your wish list as often as you like while seeing the total cost (incl. postage), enabling you to keep to your budget.
02.	Start your order and save it so that you can come back to it as many times as you want to before submitting the order.
03.	Order at any time of the day or night. (I see you late night crafters out there!)
04.	Reap the benefits of your orders with my rewards program. (Use my current 'Host Code' with any orders of \$75-\$249.75 to receive a free gift.)
05.	Be first to put in your orders when Stampin' Up! bring out special offers so you don't miss out. (They often don't last long.)
06.	Receive information directly from Stampin' Up! so that you will always going to be first to know!
07.	Save wish-lists within the Stampin' Up! website that are easy to come back to.

1.) Setting up your account

In your browser, type www.stampinup.com.au and go to "Find a Demonstrator".

Type in the name of your preferred Demonstrator (I would love to be your Demonstrator).

Check the dot next to your Demonstrator's name.

Your Demonstrator's name will now show at the top, then click "Create Account".

Complete the sections as shown and click "Create Account".

Your account will now be set up with your name in the top right corner. Have a look around the website to see how everything is set up, at your leisure.

2.) Start Shopping

When you are ready to start your order, either select items while using the menu tabs on the top left or search for items using product names or item numbers.

When you see an item you would like to order, click on "Quick Shop".

Then "Add to Cart".

If you would like to add an item to a 'wish list' but not to your order, you can click on the to add the item to a list. (You can create multiple lists here too.) Stampin' Up! will save your list for you to come back to.

If you would like to continue shopping, go back to the search bar or continue to browse the menu tabs on the top left.

Once you have finished shopping, click on "View Shopping Cart".

3.) Orders UNDER \$250 - Using a Host Code

If your order is under \$250 (and you are shopping with me), put in my current host code and you will receive a free gift from me (for orders of \$75 or more).

If your order is \$250 or more, DO NOT USE A HOST CODE and jump to page 7 of these instructions.

Add the host code (as shown above). The Host Code changes, so make sure you have the current code. (Mine will always be displayed on my website, www.simonecollins.com.au)

Click "Apply".

Once you are sure you have finished shopping click "Checkout" and continue as shown.

If your order is \$250 or more, jump to the 3rd instruction on page 7.

Complete Shipping Address
sections as shown and click
"Continue".

If paying from a credit/debit card select "Credit Card" and complete Payment Method sections as shown and scroll down to click "Continue".

If paying with Paypal, select Paypal and Click "Continue". You will be taken to Paypal to complete your purchase. You will need to sign in to your Paypal account to complete.

3.) Orders OVER \$250

If you have completed your order and the total is \$250 or more but you have already put in the Host Code, you can now remove the Host Code by clicking on the 'rubbish bin" next to it. If you don't remove the code, you will not receive the free product that you have earned!

Because you spent over \$250 (shipping not included) you will receive "Stampin' Rewards" in the form of free product from Stampin' Up! Click on "Add Items" to select your free product/s.
